

PUBLIC NOTICE HUNTERS POINT SHIPYARD

January 2010

PUBLIC NOTICE

This notice serves as publication by the Department of the Navy (DON) of its decision to dissolve the Hunters Point Naval Shipyard (HPS) Restoration Advisory Board (RAB) as provided by 32 Code of Federal Regulations (CFR) Part 202. DON has consulted with the Department of Defense, Environmental Protection Agency, State, and local government representatives about this decision.

DON fully supports the need for open, meaningful dialogue with the diverse Bayview Hunters Point Community regarding DON environmental cleanup actions and decisions. The purpose of a RAB is to ensure community involvement in the environmental cleanup process whereby an open discussion and exchange of information occurs. However, the RAB was not fulfilling this objective. Therefore, other means to accomplish this important goal will be implemented. BRAC PMO West will work with community and regulatory partners to find alternative means to meet these community involvement goals and requirements. A plan for ongoing community involvement opportunities is available as part of the decision document.

A copy of the decision to dissolve the RAB has been provided to RAB members and made available at the following website:
